Ms. Parker,

As a resident of the Center Street Lofts I would like to know the name of the contact for this building or the parcel owner that receive the notices of Solicitations of Names for Consideration for the annual election to the board.

I would also like to obtain a list of the members of the board for the last 5 years and their board member status (commercial, condominium...).

If there is someone in your office other than yourself that can field my request please provide me with their contact information.
